***DSD Business Systems Awarded President's Circle Designation
for 2005 (14th Consecutive Year)***

San Diego, CA – November 30, 2005 – DSD Business Systems, a Sage Software business partner, has been named to the President's Circle and recognized for selling the most Sage Software Accounting Solutions (ACS) products for the 2005 year. President's Circle membership is open to all Sage Software business partners in North America.

“President's Circle status doesn't come easy, and we're happy to bestow this prestigious recognition to partners like DSD Business Systems, who have been top performers during the past fiscal year,” said Taylor Macdonald, Sage Software executive vice president, channel and sales operations, Mid-Market Division. “The hard work DSD Business Systems put in has paid off in their tremendous sales achievements, and we look forward to continuing our mutually successful relationship with them throughout the new fiscal year.”

“We are proud to have achieved this level of success for the fourteenth straight year”, said Doug Deane, President of DSD Business Systems. Doug went on to say that “DSD is proud to be in the company of the highest quality software publisher and resellers in the industry. This is not a responsibility that we take lightly, and DSD will continue to be a benchmark provider via the addition of Internet products and services, network security services, and enterprise level consulting.”

DSD Business Systems and all other President's Circle partners will be honored at an official awards ceremony to be held at the Mauna Lani Bay resort on the Kohala Coast of Hawaii in January 2006. They will also be distinguished on May 8-11, 2006, at the annual Insights business partner conference which will take place at the Gaylord Opryland Resort in Nashville, Tennessee.

DSD has been a Sage President's Circle award winner for over a decade and has been nationally recognized as a Pacesetter and as a Top 100 VAR firm by Accounting Technology Magazine. For more information, visit www.dsdinc.com.
