DSD Business Systems Welcomes April Holman's Return to Its Sage MAS Professional Services Department

San Diego, CA, March 9, 2009 - **DSD Business Systems** is delighted to announce April Holman's return to DSD's Sage MAS Professional Services Department. In her new role as Senior Software Consultant, she brings a wide range of knowledge and experience in the accounting software industry. From providing support to end-users, to training, to overseeing sales efforts and marketing initiatives, April exhibits all of the qualities that coincide with DSD's culture and standards of excellence.

A few of April's accomplishments include the following:

- Owning and operating a Peachtree Support Center and Accounting Firm
- Founding All County Industrial & Marine
- Serving as DSD's VP of Sales and Marketing for over 6 years.

Under her management, the DSD Sales Team regularly achieved and maintained the highest tier levels at Sage Software, being awarded the Circle of Excellence award for several consecutive years.

When asked about Ms. Holman joining his team, DSD's VP of MAS Professional Services, Jim Woodhead offered the following statement: "April is a superstar. It's rare to find someone who has as much technical experience balanced with as much sales and marketing experience. Someone who wears as many hats as April does, while performing with excellence in all areas, truly is an asset."

The rest of DSD's staff is excited to have April on board. Just as Ms. Holman looks forward to working with new and familiar faces at DSD, she's equally pleased to be helping some familiar clients and offering her expertise to new ones.

ABOUT DSD BUSINESS SYSTEMS

Founded in 1984, headquartered in San Diego, California, DSD Business Systems is a national award-winning Enterprise Software Solutions Provider. Serving the needs of small- to medium-sized companies, we specialize in a service-oriented approach to integrating accounting and business management systems with information technology. By automating our customers' business processes, we help growth-oriented companies turn disconnected data into reliable information. DSD's success extends beyond system integration – from network configuration, hardware, and technical support to web development, search engine optimization, and system security. DSD has been a Sage President's Circle award winner for thirteen consecutive years and has been nationally recognized by Accounting Technology Magazine as a Technology Pacesetter and Top 100 VAR firm. www.DSDinc.com
