SAN DIEGO, CA - January 23, 2009 – DSD Business Systems, San Diego’s leading provider of enterprise software solutions, announced today that it has added Sage Accpac ERP to its core product offerings via its acquisition of Horizon Information Systems. President and Founder of Horizon, Ken Adams, joins the DSD executive management team, bringing 20 years of successful implementation of Sage Accpac ERP to customers across the world. The addition of the Sage Accpac ERP brand, together with the expertise of Ken Adams and his professional staff, allows DSD to further expand its reach and better serve customers.

Sage Accpac ERP is an award-winning Business Management software application that helps small- and medium-sized businesses manage their accounting, operations, and customer relationships. Its application is built on a world-class, object oriented, and multi-tiered architecture, offering ultimate scalability and remote access via a web-based platform. Sage Accpac ERP is easy to use and customize with intuitive wizards and a familiar interface that makes configuration and navigation a breeze. Designed for global business, Sage Accpac ERP supports multiple languages and currencies. It offers hundreds of industry-specific solutions at an affordable price that meets the needs of companies of any size.

Doug Deane, President and Founder of DSD Business Systems, said “DSD recognizes the value of offering a wide array of reputable enterprise software solutions. Adding Sage Accpac ERP rounds out DSD’s menu of renown software brands, including Sage MAS 90 / 200 / 500, Sage CRM, Sage SalesLogix, Sage FAS, Sage Abra HRMS and others. Moreover, DSD offers Deltek Vision specifically for project-focused businesses, as well as QuickBooks Enterprise Solutions for smaller organizations. DSD Business Systems is proud to offer advanced, world-class software solutions. The addition of Accpac ERP only enhances what we can provide to our customers.”

“DSD has built a respected reputation through outstanding customer support and industry expertise in the enterprise software industry,” said Ken Adams, former President of Horizon Information Systems. “DSD is an outstanding, industry-acclaimed business partner. I am excited about our merge and eagerly look forward to the business solutions we will offer our customers through our combined efforts and expertise.”

ABOUT DSD BUSINESS SYSTEMS

Founded in 1984, headquartered in San Diego, California, DSD Business Systems is a national award-winning Enterprise Software Solutions Provider. Serving the needs of small- to medium-sized companies, we specialize in a service-oriented approach to integrating accounting and business management systems with information technology. By automating our customers’ business processes, we help growth-oriented companies turn disconnected data into reliable information. DSD’s success extends beyond system integration – from network configuration, hardware, and technical support to web development, search engine optimization, and system security. DSD has been a Sage President’s Circle award winner for thirteen consecutive years and has been nationally recognized by Accounting Technology Magazine as a Pacesetter and Top 100 VAR firm.
