Dear Doug:

The Partner Advantage Award Series is a prestigious awards program that recognizes top partner sales performances. Partners are rewarded for their diligence in representing Sage products and consistently going above and beyond to achieve sales excellence throughout the year.

Congratulations to the entire team at DSD Business Systems for an outstanding year and earning the President's Circle award for Top Product Sales for Sage MAS 90 and 200. In recognition of your stellar sales performance, you were selected to the 2009 Chairman's Club along with only 21 other Sage business partners across North America.

This distinction earns you a spot at this year's exclusive President's Circle, where you will be honored at an official awards ceremony to be held at the luxurious Biltmore Resort and Spa in Phoenix, Arizona, January 25-27, 2010. Originally announced as a business retreat for Sage business partners only, **it is our pleasure to extend this invitation to your guest to share in the festivities celebrating your success.** We look forward to spending time with you there! Registration and travel details will be forthcoming.

You were able to exceed \$1 million in annual sales of Sage products and services – earning the prestigious Million Dollar Club award.

In what proved to be a very challenging year for all businesses, the exceptional results you have achieved are all the more impressive. We thank you again for your ongoing dedication and commitment to Sage. We look forward to another exciting year.

Very best regards,
