Dear Doug Dean,

On behalf of the patients, families and medical professionals we serve, thank you for your donation of \$250 to the San Diego/Hawaii Chapter of The Leukemia & Lymphoma Society. Your gift has been accepted as a cash contribution as no goods or services were provided in exchange for your donation.

We greatly appreciate your support. It is through donors like you who contribute generously that we are able to continue our work with patients and families in the fight of their lives. Your donation will help continue vital, curative research and local programs of Patient and Family Support Groups, direct patient aid, plus public and professional education. If anyone in your life could benefit from these services and resources, please encourage them to call us directly.

If your employer offers a matching gift program, your donation can have twice the impact on the progress toward cures. Please log on to our website www.lls.org for more information on volunteering and other opportunities including breaking news in research.

Again, thank you for supporting our life saving efforts. Your support of our mission is deeply appreciated.

Most sincerely,

Christina Rosas
Campaign Specialist
