If leaving a message or faxing, please include:

Your name.

Your phone number (and fax if applicable) and extension.

It is possible to be unable to duplicate a problem, because of data corruption or because we have not exactly duplicated a particular operating environment. In such circumstances, we can only continue to try to fix the problem if we can either access the system with Symantec PCAnywhere or by some other means access or duplicate the system.

Sales Order Deposits on Receivable Reports Features

This Extended Solution adds detail of customer deposits referenced on Sales Orders to the Accounts Receivable Trial Balance and the Aged Invoice Report work files as well as selection options which govern the manner in which they print.

Additional functionality exists if Extended Solution SO-1032: Multiple Customer Deposits on a Sales Order is installed and enabled.

Section B: Getting Started

- If you reinstall or upgrade one of the SAGE 100 ERP modules listed in the following table, you must also reinstall this Enhancement.
- Enhancements from different Sage Developers are generally not designed to work together. If installed together, problems are likely to occur.
- Check with DSD before installing more than one Enhancement.
- Do not install this Enhancement on MAS SQL Systems.

Required Levels

SAGE 100 ERP Module	Module Required	Required Level
A/R	Y	5.30

Installation

1. **Back-up:** Exit all SAGE 100 ERP sessions. Back-up existing SAGE 100 ERP data.
2. **Check Levels:** SAGE 100 ERP module levels must match those listed above.
3. **Run Enhancement Setup Program:** Save the executable installation program (sent to you or downloaded from our website) in a convenient location on the SAGE 100 ERP server. Launch the program from Windows Explorer or by selecting Start/Run, and then browse for the file in the location you saved it. Follow on-screen instructions.
4. **Send your Sage Serial Number to your DSD Representative:** Send your Sage Serial Number to your DSD representative in order for us to send you back the encrypted keys to unlock your system. This serial number can be found in Library Master\Setup\System Configuration, Tab 3. Registration as Serial Number.
5. **Re-Start SAGE 100 ERP:** SAGE 100 ERP will be updated.
6. **Unlock the Enhancement:** DSD Enhancements must be unlocked to run. When any part of the Enhancement is run for the first time, the DSD Enhancement License Agreement and Activation window will appear. Follow the steps shown on that window. *You can click the Help button for more detailed instructions.*

Note: On the next page is a screenshot of the DSD Enhancement License Agreement and Activation window.

After accepting the License Agreement, you can then select the type of unlocking that you'd prefer. The choices are File, Web, Demo and Manual Entry.

File Unlock: After receiving your encrypted serial number key file from DSD, and placing that file in the MAS90/SOA directory, selecting this option will unlock all products keys contained in the file. This means you can unlock all enhancements at once using this option.

Web Unlock: If the system that is running the DSD Enhancement *has web access* and you *have sent DSD your Sage Serial number*, you can unlock the Enhancement without assistance using Web Unlock. When this option is selected, the program will attempt to download encrypted serial number key file from DSD *and then proceed to unlock all enhancements contained in the file*.

- The MAS 90/ 200 system that is being used must have web access for this option to be effective.
- You can send your Sage Serial Number to your DSD Enhancements sales representative.

Demo Unlock: If a Demo mode is available for the Enhancement you're running, you will be able to Demo unlock the product without assistance from DSD for demo purposes.

- *Creating a Demo Unlock is a good way to temporarily unlock DSD Enhancements off-hours, if you do not have web or email access. Later, you can unlock the product fully, during business hours.*

Manual Entry Unlock: If you want to unlock a single enhancement using a single encrypted key, you can select this option and enter the 64 character key you receive from DSD by copy and paste.

Note: You can also unlock a DSD Enhancement through the *DSD Enhancement Control Panel* found on the *Library Master Utilities Menu*. Then, select the Enhancement with your mouse from the list of Enhancements and click the **Unlock Product** button on the right side of the window.

7. **Convert Data:** After registration, the Data Conversion window will appear. Follow on-screen instructions to complete data conversion. *You can exit the conversion program without converting data. The Enhancement will not proceed, however, until data is converted. If you enter an enhanced program and data has not been converted, the conversion program will run again.*

DSD Enhancement Control Panel

Starting with version 3.61, all DSD Enhancement products include DSD's Enhancement Control Panel. The DSD Enhancement Control Panel is accessed from the Library Master Utilities menu.

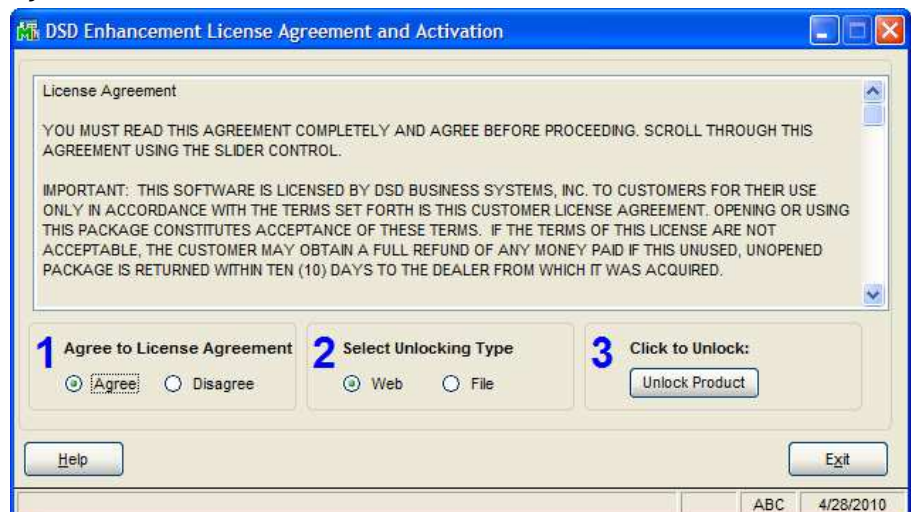

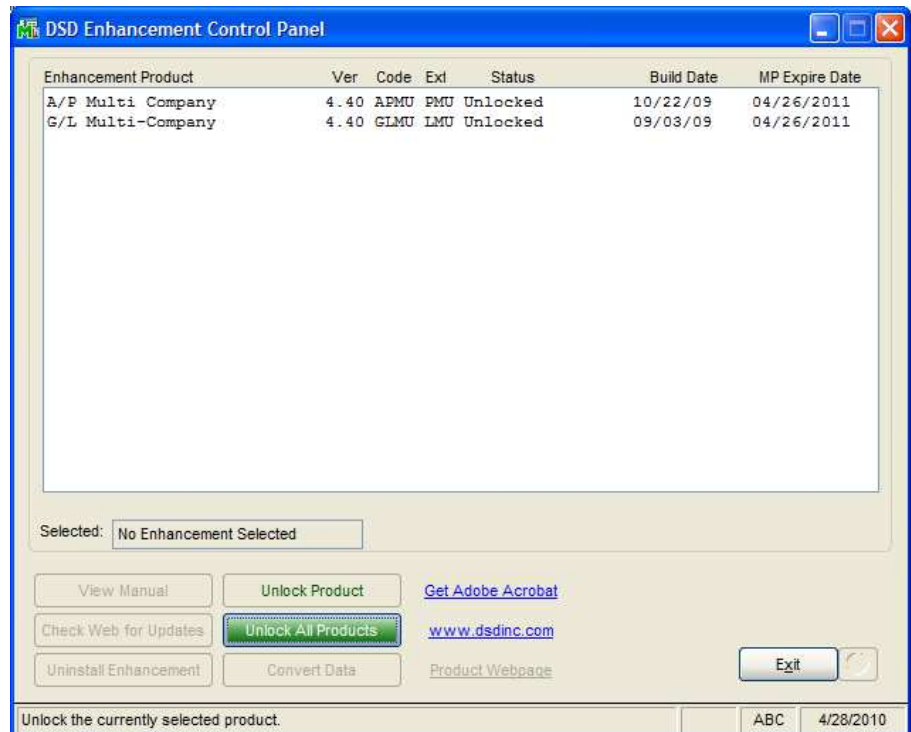

The DSD Enhancement Control Panel is a simple to use yet powerful system to help maintain DSD Enhancements installed on a SAGE 100 ERP system. To use it, select an Enhancement product from the list on the window and then click the button, on the right side of the window, which corresponds with the desired task.

View Manual: This button will display the product manual for the selected Enhancement using Adobe Acrobat. For this to be possible, the PDF file for the corresponding manual must be in the "MAS90/PDF" folder in the SAGE 100 ERP system. If the file is not present, and the system has web access, the correct PDF file will be automatically downloaded from the DSD website, put into the "MAS90/PDF" folder and then displayed.

Check the Web for Updates: This button will check the DSD website to see what the current build is the selected Enhancement and alert the user if a later version is available. *This requires an ftp web connection on the MAS 90/ 200 system.*

Unlock Product: This will cause the DSD Enhancement License Agreement and Activation window to appear. Using this window is described on the previous page. *This button is disabled if the selected Enhancement is already unlocked.*

Unlock All Products: This will cause the DSD Enhancement All License Agreement and Activation window to appear. This window is similar to the one described on the previous page, but

has only web and file as options to unlock. *This button is never disabled*

Convert Data: After verification, the selected Enhancements data conversion program will run. Data conversion is non-destructive, and may be triggered any number of times. Sometimes this is required to fix data records imported or updated from a non-enhancement installation.

Help: The Help button, located at the bottom right of the window, opens an HTML help file .

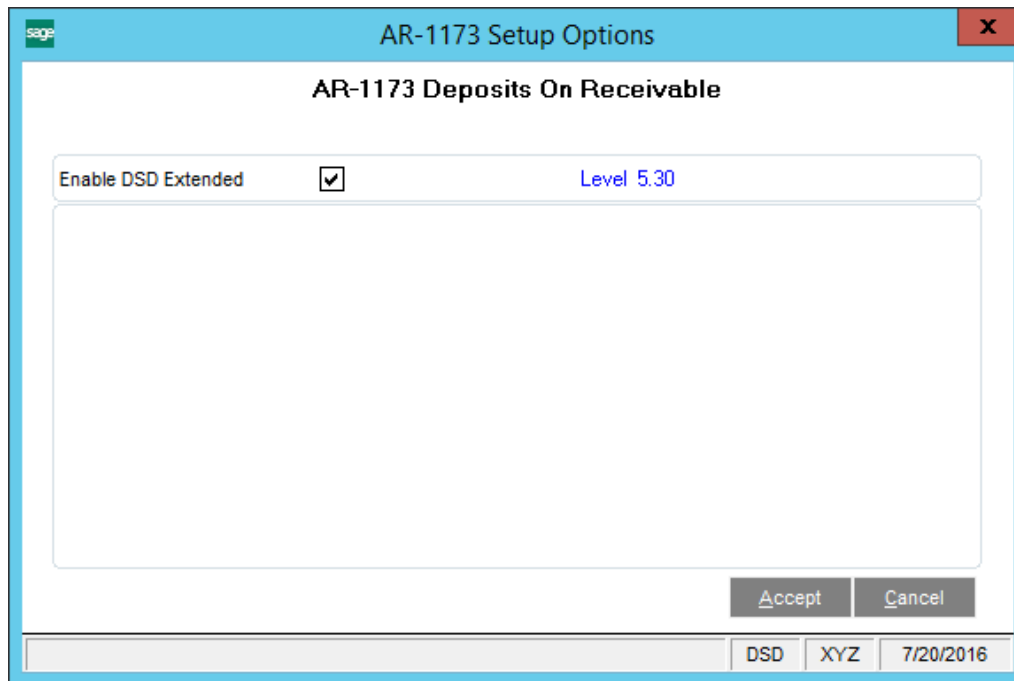

Get Adobe Acrobat: Opens the Adobe Acrobat website to the page where Acrobat can be downloaded and installed.

Uninstall Enhancement If this option is available, then selecting this button will start the un-install process, removing the enhancement from the system.

There are also links to the DSD website and the Enhancement page on that site.

Section C: Setup

Upon completion of software installation, you will need to access DSD Extended Solutions Setup from the Accounts Receivable Setup menu. Select this part number and the Setup screen for this Extended Solution will appear. Check the 'Enable Extended Solution' box to activate this Extended Solution.

You should visit this Setup screen after each upgrade or reinstallation of this Extended Solution.

Role Maintenance

The following Task has been added to Accounts Receivable, Setup Options:

- ☐ Extended Solutions Setup

Please review your security setup in Role Maintenance and make appropriate changes.

Section D: System Operations

Aged Invoice Report

An 'S/O Dep' button has been added to the report selection screen, to 'Include S/O Deposit Information'.

S/O Deposits Printing Option

Include Sales Order Deposit Information ☒

If you check this box and select either 'Invoice' or 'Detail' to the 'Report Detail Option' prompt, a block of Sales Order Deposit information will print between the standard customer information and the invoice detail. The block contains one line per open Sales Order that has a deposit. The following information will be included: Sales Order Number, Sales Order Date, Check Number and Deposit Amount.

If SO-1032: *Customer Deposits in Sales Order* is installed and enabled, then detail of multiple sales order deposits, deposit number and deposit date, will be printed.

Customers who would not normally be included on the report (i.e., those who have no open receivables) but who do have open Sales Orders with Deposits, will be included. The standard Customer line will print followed by the Sales Order block described above.

Deposit amounts will be aged according to Sales Order Date. If SO-1032 is enabled, deposit amounts will be aged individually by deposit date. Deposit amounts will be written to the Balance field and aging fields as negatives.

Addition of New Aged Invoice Report information

The new deposit information can be added to the Aged Invoice Report two ways:

Option 1:

An Accounts Receivable Aged Invoice report has been provided with the Sales Order Deposit information. It is called **AR1173_234AR_AgedInvoiceReport.rpt** and can be found in the '...\mas90\reports' directory.

You will need to create a new Report Setting for your Aged Invoice Report. Choose the Aged Open Invoice Report menu item, and in the report selection screen, select 'Save As' from the Save drop down menu, enter a new report setting name (e.g. AR1173), then click the 'Designer' button, save the new report setting and close Crystal Reports. Using Windows Explorer, copy **AR1173_234AR_AgedInvoiceReport.rpt** to the new **MAS_XXX/Reports/AR_AGEDINVOICEREPORT** report setting directory (e.g. AR1173), and rename it to **AR_AgedInvoiceReport.rpt**.

Option 2:

Or you can modify the standard *Accounts Receivable Aged Invoice* report to show Sales Order Deposit information. Sales Order deposits will be written to the work file as Type "1" records. Add a new Detail Section to hold the deposit details. Copy these fields from the right side of Detail Section "A": Balance, CurrentAmt, AgingAmt1, AgingAmt2, AgingAmt3, and @Aging4OrRetentionAmt. On the left side include the Deposit fields you would like to see on the report that were added to the work table. See ODBC dictionary section for the list of new fields.

Go into the Selection Expert for Detail Section "A" and select the formula editor for Suppress and modify this formula:

```
IF {@DetailOption} = "S" or {AR_AgedInvoiceReportWrk.Type} = "1" THEN
    formula = true
ELSE
    ...
```

Go into the Selection Expert for the new Detail Section, select the formula editor for Suppress, and paste the Suppression formula from Section "A" and modify it:

```
IF {@DetailOption} = "S" or {AR_AgedInvoiceReportWrk.Type} <> "1" THEN
    formula = true
ELSE
    ...
```

Trial Balance Report

A new run time selection option has been added, via the 'SO Dep' button to 'Include Sales Order Deposit Information'. If you check this box, Sales Order deposits will be written to the work file with blank Invoice No and Invoice Type set to 'DP'.

The screenshot shows two overlapping dialog boxes. The main dialog box is titled "Accounts Receivable Trial Balance (ABC) 6/24/2010". It has a "Report Setting" dropdown set to "STANDARD", a "Description" field with "Accounts Receivable Trial Balance", and buttons for "SO Dep." and "Save". Under "Setting Options", there are checkboxes for "Print Report Settings", "Three Hole Punch", and "Collated", along with a "Number of Copies" spinner set to 1. Under "Options", there are fields for "Invoices to Print" (set to "Open"), "Print Trial Balance as Of" (set to "6/24/2010"), and "Print Transaction Detail" (checked). A "Selections" table is visible with columns "Select Field", "Operand", and "Value", containing one row: "Customer Number", "All", and an empty value. At the bottom, there is a printer selection dropdown set to "\\dsd1\HP 4100 PCL 6", checkboxes for "Keep Window Open After Print" and "Preview", and buttons for "Print", "Preview", "Setup", and a help icon.

The smaller dialog box, titled "S/O Deposits Printing Option", is overlaid on the main dialog. It contains a single checkbox labeled "Include Sales Order Deposit Information", which is checked, and an "OK" button.

Customers who would not normally be included on the report (i.e., those who have no open receivables) but who do have open Sales Orders with Deposits, will be included.

To modify the report to show Sales Order Deposit information, add a new Detail Section to hold the deposit details. Include the Deposit fields you would like to see on the report in the new Detail Section. See ODBC dictionary section for the list of new fields.

Go into the Selection Expert for Detail Section "A" and select the formula editor for Suppress and add this formula:

```
formula = {AR_TrialBalanceWrk.InvoiceType}="DP"
```

Go into the Selection Expert for the new Detail Section and select the formula editor for Suppress and add this formula:

```
formula = {AR_TrialBalanceWrk.InvoiceType}<>"DP"
```

Section E: Uninstall DSD Enhancements

A DSD Enhancements Uninstall Utility has been provided for the purposes of removing DSD Enhancements from your SAGE 100 ERP System. This utility may be accessed from the DSD Enhancement Control Panel menu option on the Library Master / Utilities menu.

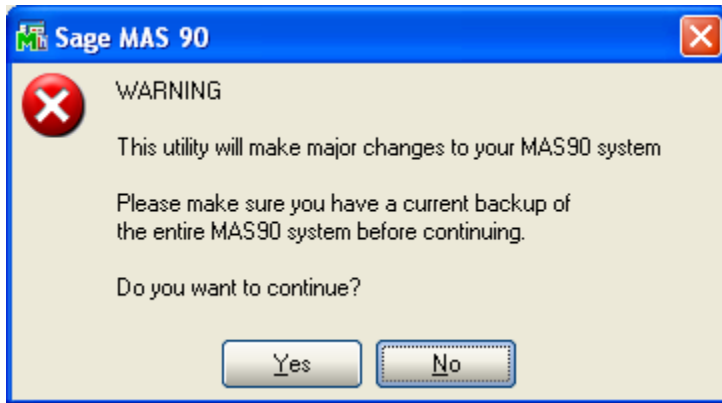

When accessing the DSD Utility Suite, select the enhancement that you wish to Uninstall, and then select the **Uninstall Enhancement** button. The following message box will appear:

Select **No** to exit the Uninstall Process.
Select **Yes** to continue with the Uninstall Process.

The following message box will appear, to remind you that a complete backup of your entire MAS90 system should be completed prior to uninstalling a DSD product.

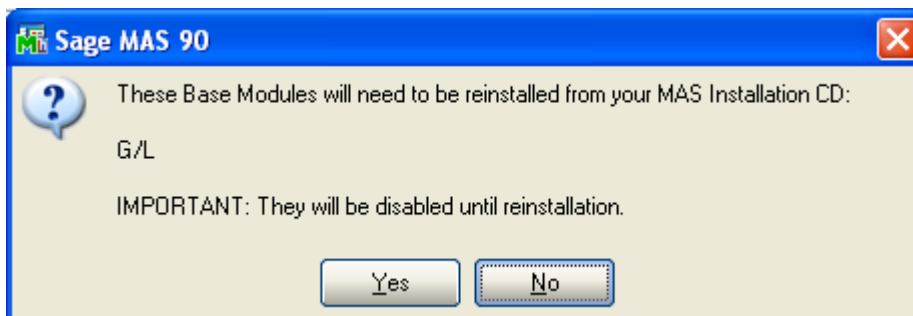

Select No to exit the Uninstall Process.

Select Yes to continue with the Uninstall Process.

After the Uninstall of the DSD Enhancement, you **MUST** reinstall certain standard SAGE 100 ERP modules, followed by reinstallation of MAS Service Packs / Updates, if applicable.

The following message box will appear, and will display which of those specific SAGE 100 ERP modules you must reinstall afterwards.

Select No to exit the Uninstall Process.

Select Yes to continue with the Uninstall Process.

The following message box will appear, displaying the final warning message.

Select **No** to exit the Uninstall Process.

Select **Yes** to continue with the Uninstall Process. At this point, the DSD Enhancement will be removed from the SAGE 100 ERP system.

After completion of the Uninstall, the following message box will appear. Select OK to continue.

Now that the Uninstall process is completed, you must:

- Reinstall the applicable standard SAGE 100 ERP modules
- Reinstall the latest SAGE 100 ERP Service Pack/Updates, if applicable.
- Reinstall any other DSD Enhancements or Developer products that are affected from the reinstallation of the standard SAGE 100 ERP module(s).

License Agreement

IMPORTANT: THIS SOFTWARE IS LICENSED BY DSD BUSINESS SYSTEMS, INC. TO CUSTOMERS FOR THEIR USE ONLY IN ACCORDANCE WITH THE TERMS SET FORTH IN THIS CUSTOMER LICENSE AGREEMENT. OPENING OR USING THIS PACKAGE CONSTITUTES ACCEPTANCE OF THESE TERMS. IF THE TERMS OF THIS LICENSE ARE NOT ACCEPTABLE, THE CUSTOMER MAY OBTAIN A FULL REFUND OF ANY MONEY PAID IF THIS UNUSED, UNOPENED PACKAGE IS RETURNED WITHIN TEN (10) DAYS TO THE DEALER FROM WHICH IT WAS ACQUIRED.

1. **LICENSE.** DSD BUSINESS SYSTEMS, INC., a California corporation as Licensor and owner hereby agrees to grant you as Licensee a non-exclusive license to use the enclosed software subject to the terms and restrictions set forth in this License Agreement. Title in and ownership of all programs and program enhancements or modifications written by DSD Business Systems, Inc. shall remain at all times vested in DSD Business Systems, Inc. The right granted by this Customer License Agreement and your payment of the non-refundable License fee is the right to use the Program in accordance with the terms of this Customer License Agreement. Delivery of a copy of the Program to you is made solely to enable you to exercise this right.
2. **COPYRIGHT.** This Program is copyrighted and all rights are reserved by DSD BUSINESS SYSTEMS, INC. and SAGE, INC. You may not copy or reproduce any part of the Program except to copy the Program for backup purposes. If you make a backup copy you must reproduce and include the copyright notice on it. The distribution of the product is intended for the use of the original Licensee only and for use only on the computer systems specified. Lawful users of this Program are hereby licensed only to read the Program from its medium into the memory of a computer only for the purpose of executing the program.

The documentation is also copyrighted and all rights are reserved. This document may not, in whole or in part, be copied, photocopied, reproduced, translated, transmitted or reduced to any electronic medium of machine readable form without prior consent, in writing, from DSD BUSINESS SYSTEMS, INC.

The Licensee recognizes that DSD BUSINESS SYSTEMS, INC. has expended considerable time, effort and money to develop the licensed Software and Manual and that DSD BUSINESS SYSTEMS, INC. will be substantially damaged by its unauthorized use, sale or distribution. In addition to recovery of all damages and the obtaining of injunctive relief as provided by law, in the event legal action must be taken to enforce this provision, the Licensee will pay DSD BUSINESS SYSTEMS, INC. all reasonable legal fees incurred in enforcing the rights of DSD BUSINESS SYSTEMS, INC. under this provision.

3. **RESTRICTIONS ON USE AND TRANSFER.** The original and any backup copies of the Program and its documentation are to be used only in connection with a single computer or network fileserver. You may physically transfer the Program from one computer to another, provided that the Program is used in connection with only one computer or network fileserver at a time. You may not distribute copies of the Program Documentation to others. The Program is to be used exclusively for business purposes and not for personal, family or household use. YOU MAY NOT USE, COPY, MODIFY, OR TRANSFER THE PROGRAM, IN WHOLE OR IN PART, EXCEPT AS EXPRESSLY PROVIDED FOR IN THIS LICENSE AGREEMENT. IN ADDITION YOU MAY NOT MODIFY, ADAPT, TRANSLATE, REVERSE ENGINEER, DECOMPILE, DISASSEMBLE THE PROGRAM, OR CREATE ANY DERIVATIVE WORK BASED UPON THE PROGRAM.
4. **WARRANTY.** DSD BUSINESS SYSTEMS, INC. software is licensed "as is" with no warranties of any kind, either expressed or implied, other than the following: DSD BUSINESS SYSTEMS will repair any bugs or flaws found in the software. Flaws of a critical nature which affect the basic functionality of the software will be repaired on an "emergency" basis, with a corrected distribution diskette sent via UPS Blue or equal. Flaws of a non-critical or cosmetic nature will be repaired on a timely basis, and a corrected distribution diskette sent via UPS ground or regular mail. All incidental or consequential damages that result from any defect in the software, even if DSD Business Systems, Inc. has been advised of the possibility of such damages will be assumed by you.

5. **LIMITED WARRANTY FOR DISKETTES.** To the original licensee only, DSD BUSINESS SYSTEMS, INC. warrants the magnetic diskette on which the Program is recorded to be free from defects in materials and faulty workmanship under normal use and service for a period of ninety days from the date the Program is delivered. Any implied warranties of merchantability and fitness for a particular purpose are limited in duration to the period of ninety (90) days from the date of delivery. If, during this 90 day period, a defect in the diskette should occur, the diskette may be returned DSD BUSINESS SYSTEMS, INC., 5120 Shoreham Place, Suite 280, San Diego, California, 92122, or to any authorized DSD BUSINESS SYSTEMS, INC. Dealer, and the diskette will be replaced without charge to you, provided that you have previously returned the Warranty Registration Card along with a copy of your sales receipt for the Program.
6. **NO OTHER WARRANTIES.** No dealer or distributor of DSD BUSINESS SYSTEMS, INC. products or any agent of DSD BUSINESS SYSTEMS, INC. is authorized to make any representation of warranty with respect to the Program except those expressly stated in the Customer License Agreement.
7. **LIMITATION OF LIABILITY.** Neither DSD BUSINESS SYSTEMS, INC. nor anyone else who has been involved in the creation, production or delivery of this program shall be liable for any direct, incidental or consequential damages.
8. **TERM.** This license is effective until terminated. You may terminate it at any time by returning the Program and Documentation together with all copies, modifications and merged portions in any form to DSD BUSINESS SYSTEMS, INC. The license will also be terminated by DSD BUSINESS SYSTEMS, INC. immediately and without notice if you fail to comply with any term or condition of this License Agreement.
9. **ACKNOWLEDGMENT.** Your opening this package, use of this program or signature on the warranty registration card acknowledges that you have read this customer license agreement and agree to its terms. You further agree that the license agreement is the complete and exclusive statement of the agreement between yourself and DSD BUSINESS SYSTEMS, INC. and supersedes any proposal or prior agreement, oral or written, and any other communications between yourself and DSD BUSINESS SYSTEMS, INC or dealers and distributors of DSD BUSINESS SYSTEMS, INC products relating to the subject matter of this agreement.
10. **ASSIGNMENT.** You may not sublicense this license or the Program. You may not rent this Program or the use of the Program. You may not transfer this copy of the Program unless the recipient agrees in writing (and a copy of such acceptance is sent to DSD BUSINESS SYSTEMS, INC., 5120 Shoreham Place, Suite 280, San Diego, California, 92122) to accept all of the terms of this Customer License Agreement. Any attempt by you to otherwise rent, sublicense, assign or transfer any of the rights, duties or obligation hereunder is void and may be the cause for immediate termination of the license. DSD BUSINESS SYSTEMS, INC. may assign any of its rights and obligation under this agreement to any party without notice to you.
