

eBay Integration with Sage 100

Connect with Confidence

eBay is one of the better-known marketplaces, founded in 1995 with hundreds of millions of active buyers. In addition to attracting buyers, distinguishing seller benefits include easy listing set up, free listings and a simple fee structure. Sage 100 customers find the eBay marketplace is hard to beat for building brand identity, while keeping more of the profits.

Key Integration Points

eBay integration is achieved with a seamless, native connection to the eBay API, allowing Sage customers to integrate eBay orders into Sage 100 in real-time. We customize the integration to meet your business needs.
